## ABOUT PETERSHILL PARTNERS plc

Petershill Partners plc is a diversified global alternative asset management firm and a leading GP solutions investment company primarily focused on private capital markets. It is dedicated to providing growth capital to, and partnering with, a diverse group of well-established, high quality, independent alternative asset managers (the Partner-firms”) by acquiring direct minority equity investments in and accelerating the development of those managers. Petershill Partners plc comprises minority investments in high-quality Partner-firms, which, in total, have US\$187 billion of aggregated assets under management as at 30 June 2021. Petershill Partners plc targets well-established multi-billion dollar alternative asset managers with a track record of strong performance and meaningful cash flow generation who are well-positioned to develop their platform across future fund and product offerings. Petershill Partners is operated by the Petershill group within the Goldman Sachs Asset Management team that was founded in 2007 as the first minority stake acquirer in alternative asset managers. The Company is governed by a fully independent Board.
